President's Corner

As a busy snowmobile season comes to a close with unprecedented trail use, we find ourselves preparing for summer activities and the upcoming ATV season. Hope you all had a safe and enjoyable trail experience in the Northwoods this year. Thanks to all our Groomer Drivers this year for a job well done! Trail Boss Mike has been kept very busy this year staying on top of our trails & equipment, and a list of projects are already starting for next year. This includes trail improvement on the Wildwood Trail area, opening of the Perch Lake trail section, and a new kiosk that will light up at night for easier map viewing. There is a lot going on at Red Arrow, get involved and find out! New for this year is an anti-dust granite surface material added on the trail between Townsend BP and

Valley View Road for dust control evaluation.

As you are out this season, please stop and thank the local businesses for their support of our Club. They have had a busy season and their support of our Club is a big part of the success of The Red Arrow Snowmobile & ATV Club of Townsend, WI. We are always looking for volunteers to help us with trails, events, and leadership positions. Let's do our part to keep Red Arrow around for the next 50 years as well! Be safe and enjoy what the Northwoods has to offer.

Have a great season!
Bob Berth, President

Club News from Your Membership Secretary

Happy Spring Everyone! This first year of serving as your Membership Secretary has been flying by. I'm still learning some of the tricks of the trade, but I assure you that this upcoming year will run much smoother. We are in the process of setting up a membership management system. This will allow us to “manage” your membership data such as your mailing address, email address and phone number(s) with ease all in one place. You will also be able to log in to check your membership data, register for the Christmas Party and other events, locate upcoming meetings and even see volunteer opportunities! Thank you for membership and club support! Please consider joining the Board of Directors. We will be holding elections at the April meeting. Contact any board members for more information. Not ready for a board position? Consider joining a committee!
